

Driving Instructions to Vero Beach High School

From the West:

Go East on SR Route 60 into town (about 5 miles or so). Proceed to 43rd Ave. Look for 2 Mobile Gas Stations one on the Left and one on the Right. Turn South (Right) on 43rd Ave. Proceed South to 16th Street (Next Light). Turn Left (East) and continue until you pass to the east of the School. You will see the Stadium on the Left and the Performing Arts Center on the Right. The Traffic Light is 17th Ave. Turn Right (South) into the parking lot as directed by our staff. **This lot is for Buses to drop off or pick-up bands prior to or after a band's performance time. Equipment trucks and trailers only may park in this lot. Parking for busses is in the south parking lot on the main campus (see map). Overflow bus parking will continue to be at the Freshmen Learning Center (see map)**

From the South Via I 95

Take I-95 North to the Indrio Road Exit between Ft. Pierce and Vero Beach. Go East on Indrio to SR 713 (Traffic Light also known as Kings Hwy) and turn North (Left). Follow SR 713 North & East as it curves over to U.S. 1. Go North (Left) on U.S. 1 to 17th Street in Vero Beach. Go West (Left) at Chevron Station onto 17th Street. It will become 16th Street as you continue. Stack your vehicles in the left turn lane as you approach the School and the Stadium (On Right) and Performing Arts Center (On Left) at 17th Ave (traffic light). Turn Left (South) into the parking lot as directed by our staff. **This lot is for Buses to drop off or pick-up bands prior to or after a band's performance time. Equipment trucks and trailers only may park in this lot. Parking for busses in the south parking lot on the main campus (see map). Overflow bus parking will continue to be at the Freshmen Learning Center (see map)**

From the South Via US 1

U.S. 1 to 17th Street in Vero Beach. Go West (Left) at Chevron Station onto 17th Street. It will become 16th Street as you continue. Stack your vehicles in the left turn lane as you approach the School and the Stadium (On Right) and Performing Arts Center (On Left) at 17th Ave (traffic light). Turn Left (South) into the parking lot as directed by our staff. **This lot is for Buses to drop off or pick-up bands prior to or after a band's performance time. Equipment trucks and trailers only may park in this lot. Parking for busses in the south parking lot on the main campus (see map). Overflow bus parking will continue to be at the Freshmen Learning Center (see map)**

From the North Via I 95:

Take I 95 South to State Road 60 (Vero Beach Exit). Go East on SR Route 60 into town (about 5 miles or so). Proceed to 43rd Ave. Look for 2 Mobile Gas Stations one on the Left and one on the Right. Turn South (Right) on 43rd Ave. Proceed South to 16th Street (Next Light). Turn Left (East) and continue until you pass to the east of the School. You will see the Stadium on the Left and the Performing Arts Center on the Right. The Traffic Light is 17th Ave. Turn Right (South) into the parking lot as directed by our staff. **This lot is for Buses to drop off or pick-up bands prior to or after a band's performance time. Equipment trucks and trailers only may park in this lot. Parking**

for busses in the south parking lot on the main campus (see map). Overflow bus parking will continue to be at the Freshmen Learning Center (see map)

Bus, Equipment Truck, and Spectator Parking:

The parking and unloading areas near the Performing Arts Center are for **Equipment Truck and Trailer** parking only. **Personal vehicles and Spectator Parking** is directly across the street on the north side of the campus or in other areas open for spectator parking. Parking for **Busses** will be at the at the **south end of the main campus (see maps)** and overflow bus parking at the **Freshman Learning Center Campus 1/8 mile north of the stadium**. To avoid a logistics problem, access to your busses needs to be well planned and thought out before arrival. (**See Maps for Parking Specifics**)
